

A large, stylized blue letter 'A' with a vertical stroke, resembling a cross or a stylized 'I'. The letter is composed of thick blue lines and is centered on the page. The vertical stroke is a solid blue line, while the horizontal bars are stylized with triangular cutouts. The overall shape is reminiscent of a cross or a stylized 'I' with a central vertical bar.

Message From The Principal

The production of "Impact 65" is one of the many extra-curricular activities of our school. To plan and edit this edition required much painstaking effort extending over the several months from the beginning of the fall term.

The will to do a good job--the desire to co-operate in the preparation of a worthwhile product--the expenditure of energy and extra time were all required to make this edition of Impact possible.

We believe that limited extra-curricular participation provides students in a modern school, staffed with understanding and helpful teachers, the opportunity of acquiring a broader education--education for vocational pursuits--education for the development and

appreciation of cultural, literary and scientific endeavours--education for the proper enjoyment of our leisure time.

All these afford our young people of this generation the opportunities to develop high ideals of character, understanding, citizenship and a happy and right way of living in this wonderful nation we know and love.

The release of our school year book is particularly pleasing to all. It represents the high degree of coordination which actually exists here at Hillcrest.

Once again, I take much pride and pleasure in complimenting the editor and the entire editorial staff along with all who have contributed in any way in the production of Impact 1965.

B. L. Bradley

B. L. Bradley

From The Chair Of The Vice-Principal

In his book, "Profiles in Courage", the late President John F. Kennedy states that courage is one of the virtues most admired in man.

And courage in students is one of the qualities we educators greatly cherish; courage, not bravado. Courage to face up with confidence to your everyday task, to challenge, intelligently, a teacher's pronouncement, to attempt an oral, critical analysis of King Lear, to query a scientific deduction, to criticize an historical fact, to speak to 800 students assembled in the Auditorium; courage to interpret Caliban in the Tempest, to try out for the football team, size notwithstanding, and go on to win a championship, to accept graciously a two-point loss in a girls' basketball final.

Never dull, never a bore, nor a poltroon, the courageous student is always interesting and interested; he possesses great tenacity, determination, firmness of mind.

Most of you are gifted with this great Churchill and Kennedy virtue; most of you have exemplified courage. We should like to see the few pusillanimous ones develop it.

Be courageous, face up squarely to your responsibility and success will be yours.

The Collegiate Institute Board has just notified me that effective next September I shall be at the Sir Wilfrid Laurier High School. May I take this opportunity to tell you how much I have enjoyed my four years at Hillcrest, and how fond I have grown of the student body, the staff and the community. It makes departing that much harder.

Thank you for the precious memories I bring with me, and "Good Luck".

EDITORIAL

Another school year, the last for many of us, has come to an end. But it has left behind a store of happy memories. Everyone, by his social, academic and athletic associations has had a part in the development of this book, and everyone, it is hoped will find personal interests and memories within these pages.

We the yearbook staff, have contrived to record the events and accomplishments, the "spirits" of the past year. On seeing the completion of Impact '65, we have a sense

of pride and a fond hope that the significance it holds for us is shared by all of you, and that in years to come it will bring back happy memories of life at Hillcrest.

I would like to take this opportunity to express my appreciation for the cooperation of my hard-working staff, the teachers, the office secretaries and our staff advisor, Mr. Walzak. I wish to thank Mr. Bradley for his patience, advice, and understanding.

STUDENTS COUNCIL

Hillcrest's students council was responsible for the coordination of all Hillcrest's social and club activities. As well, it organized our three major dances and several minor ones. The council undertook the sale of sweatshirts and supported the Central Students Council welfare fund and charity drives such as the Red Feather Appeal and Neighbourhood Services.

BOARD OF CONTROL

Back row L. to R. F. Jackson, J. Barter, S. Nicholson, B. McGrath, A. Harvey. Bottom row L. to R. V. Peterson E. Barr, D. Gunn, D. Mundy, A. Smilie.

BOARD OF CONTROL

The board met often during the school year to discuss matters of importance to the student body and to prepare agendas for Students Council meetings.

CONSTITUTION COMMITTEE

Bottom row L. to R. S. Bookman, C. Grey, K. Toth. Top row L. to R. V. Smith, D. Gunn, E. Barr.

CONSTITUTION COMMITTEE

This committee was formed in early February to draw up a constitution for our Students Council consisting of the Head Boy and Girl and a representative from each grade. It meets whenever possible. New ideas concerning the formation of the Council and the Executive Constitution is quite an accomplishment for any school, and especially for one as young as Hillcrest.

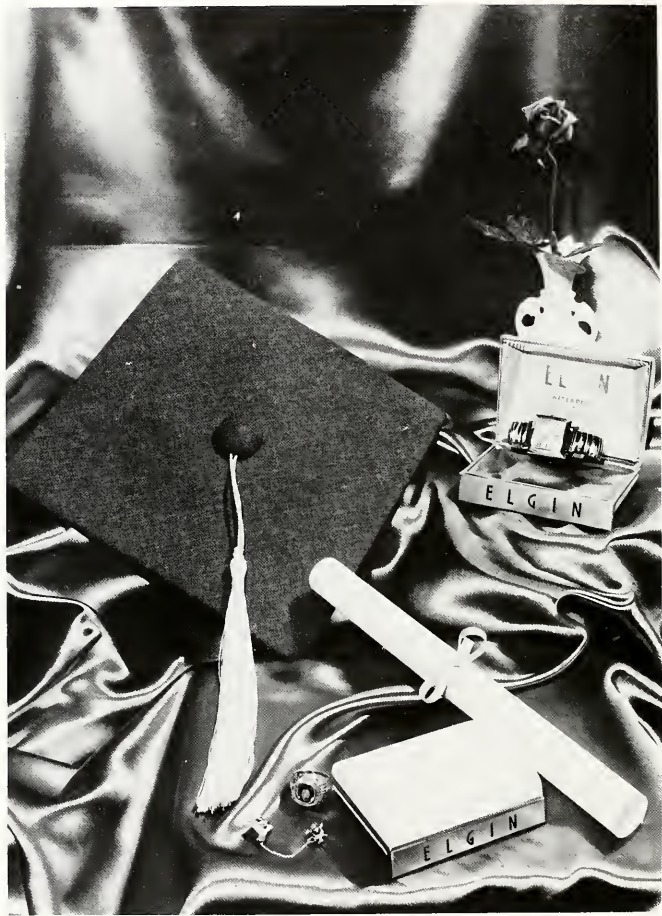

CANADIAN FLAG

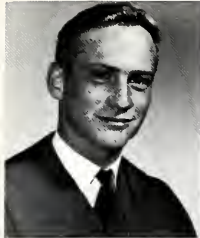

"On Canada's New Flag"

Oh Ottawa Heaven of Canada awake
Almighty Tower of Peace do proudly tell
This kingdom of our new born conquest late.
Of fathers days bequeathed by Foreign rule.
While French and English did impatiently await
To venture free from mother land's firm hold
And show this planet earth how we can make
This virgin sail endure but not forsake
This maple leaf afloat doth give us worldly grace,
Yet through intensive bleeding For this timely goal
Let us not retire and so grow old, but place
This new esteem a stepping stone to life
For if we rest ourselves within a weakly state
Were blood and sweat for red and white not a grave mistake.

GRADUATES
TECHNICAL
AND
COMMERCIAL

Maureen Cockrell - "Moe" "Over exertion in any form should be avoided." Maureen is a friend to everyone in her class. From Hillcrest she will reside in Florida and further her education there.

Sharon Jacques - "Silence more musical than any song." Sharon although quiet adds to the class. She is a good student, industrious and conscientious.

Margo Currie - "The most useless day of all is that in which we have not laughed." Margo is very well thought of among the commercial students. She can be seen driving around in a blue Chevy, during the weekends. "Pete".

Wendy Watson - "We hardly find any persons of good sense save those who agree with us." The days that Wendy attends school are never dull. Wendy is the wit of the class.

Rita Sinnett - "A good disposition is more valuable than gold." Rita is the president of 12 J. She is quiet but definite in her thinking and actions!

Lana Day - "Life is too short to waste." Lana is a straight A student and a prefect. She also has an avid interest in the navy. She will be a very successful secretary. Fascination for Carleton students and all-night drive-ins.

Marlene Anderson - "Thinking is the cause of all evil" Marlene is one of the nicest girls in 12J and was one of our representatives in the snow queen contest. Her main interest is Gary.

Linda McDonald "Lynn" - "The mind can only absorb as much as the seat can endure" Linda spends a lot of her spare time skiing, she is G.A.A. rep, and a member of the advisory council, a member of the decorating committee and the yearbook staff. She has a lot of fun behind a microphone at school functions. Too bad nobody listens to her.

Simon Leblanc - "I'm only going to say what I feel" Simone is one of the most popular girls in the class. From Hillcrest she intends to be a bilingual secretary.

Vickie Reuter - "Energy and persistence conquer all things." Besides being a good student Vicki is a champion figure skater. We wish her luck?

Helen Shane - "Hard work has killed many. I'm not going to take any chances." Helen rarely says anything but always attends, she has a perfect attendance pin to prove it.

Barbara Connelly - "Please sir, not so fast, it takes time to sink in." Main interests: Rene. Ambition: Housewife.

LINDA CHERRYHOLME
 "Most redheads have a temper, but not me."
 Linda shares the class honours in shorthand having won her 100 w.p.m. shorthand pin.

BEVERLEY PERRIGO
 "BEV"
 "If silence is golden, Bev is worth a fortune."
 The other half of the shorthand honours. Bec excels in church. She will go far in life. She is class treasurer.

MAUREEN MARKS
 "MARKEY"
 "I agree with no man's opinion, I have some of my own."
 Maureen has the best outlook on life. She laughs.

GRAYDON SIMS
 "GRAY"
 "It's wonderful being in a class with girls. Any questions?"
 Graydon is B.A.A. Rep., and he was the class rep. in the public speaking contest. He placed third. From Hillcrest he plans to go on to E.O.I.T.
 Main interest: Helen

JANET BERTRAND
 "J.B."
 "Lead us not into temptation; just tell us where it is and we'll find it ourselves!"
 Pet Peeve: The business machines teacher.

DIANA MISKELL
 "Horses, art, horses."
 Diana is a very talented artist and an accomplished horseback rider.

BARBARA CONNELLY
 "Please sir not so fast, it takes time to sink in."
 Main interests: Reac'
 Ambition: Housewife

ELIZABETH MEGGS
 "A good listener is usually thinking of something else."
 Quiet and conscientious. Elizabeth will make someone a good secretary.

HEATHER RADCLIFFE
 "Men may come and men may go, but I can run fast."
 Heather has many assets one of which is her beautiful blond hair. She claims it's natural too?
 Main interest: Brian

LINDSAY HEPBURN
 "I'm a hard lad."
 A member of the Senior football team. A member of the club dedicated to make commercial teachers have nervous breakdowns--and succeeding.

LINDA DAWSON
 "LYNN"
 "There goes a boxy--follow-- him."
 Linda seems to enjoy her new found school. She hails from Ridgmont.
 Assets: her clothes, eyes and Wayne

BRIAN WILSON
 "WILLY"
 "There aren't enough weekends in the week."
 Brian was another member of our Senior football team. He scored two touchdowns.
 Main interests: a certain girl

ENID TALLYER

"There's nothing like a pair of skis to lead into a clump of trees," Enid, though short makes herself known. Assets: clothes, hair, smile, and convertible.

MARVIN TALLYER

"MARV"

"I came, I saw, now I wish I could leave." Marvin is one of the boys sitting at the back of the study hall. Assets: his pictures.

CHRISTOPHER GREY

"CHRIS"

"But sir it wasn't me." Chris has trouble convincing the boys of his exploits during the week-end.

PATRICIA SHAW

"PAT"

"I would if I could but I can't." Pat is one of the girls in 12K who tries to voice her own opinion. We wish her all the best.

DOREEN ANDREWS

"DOE"

"That man has got to be a doz." Doreen is known for her expressions. After Hillcrest she intends to work a year and then give Miami a wheel. Her ambition in life is to have streaked hair.

EDWARD CUNLIFFE

"TED"

"Well certainly, please." Ted is another 12 K hard lad, his ambition is to marry. A very well liked guy among his friends.

STEPHEN COTE

"STEVE"

"Do you know anyone who wants to buy a good car." Inside school Steve is quiet but outside?

After High School, what?

PLENTY! Especially at the Bell, where career opportunities for grads are varied and interesting. And it's full pay while you train. Come on down to the Bell Office. We'll gladly tell you about opportunities waiting for you at the Bell when you've graduated.

The significance of our crest is not a complicated one, for it expresses the primary objective of the school; to give the students a better understanding through learning.

The crest is both unique and picturesque; consisting of a triangular gold badge with a red pamp between three open books with natural white pages. The whole is surrounded with a red border superimposed on a blue border.

A blue scroll badge is superimposed on the bottom with "Hillcrest High School." On the visible reverse side of the scroll the motto "Doctrina Promovet" when translated means "Learning Advances", is in red letters on a gold background. The scroll itself is in the form of an "S", flattened so that the left end is on the badge and at the center line.

A word From the Coach

Helping to coach the Senior Football team was an experience To the boys who did come out for practices and games, I believe the student body owes them gratitude and respect.

Some nights we managed to collect up to eighteen players, the other days the field was filled with eight players for practice.

One thing about the Seniors, they never did quit, and to the solid core of a dozen players who persisted, heartiest congratulations. Maybe next year with participation who knows!

COACH

COACH

Mr. Manale

Mr. Ray

The Championship Junior Football team this year was the most interesting, exciting, and, at times, the most exasperating team which I have ever coached. Needless to say they were also the most satisfying.

My own personal satisfaction was derived from watching the players progress from boys to men, becoming aware (many for the first time), that they were engaged in physical combat with other boys of equal size, strength and ability.

Right from the outset I firmly believed that the team had the potential and desire needed to win the first Football Championship for Hillcrest. Then it became a major problem to convince the boys of their ability. I think this deep, inner positive feeling of confidence in their own ability just began to show through near the end of the season and became most evident after the victory over Rideau (the invincibles) in the last game of the regular schedule.

Credit must be given to all the players on the team for their interest, desire and all-out drive. Throughout the year many personnel changes were made due to injuries or need of different abilities in different positions. Key players in these moves were Neil Kowal, Mike LaBreche, Bruce McNaught, Tom Dempsey, Greg Morgan, Bill Leonard, Ross Miller, Chris Black and Sean Sauvé. Fortunately, the moves paid off, and aided by the return of injured players, Jim Chambers and Alec Sawyer, and the help of the rest of the team, we defeated Rideau in the city finals in what I considered to be the most exciting football game I had ever seen.

At this point I would like to extend my warmest thanks to Mr. Ray for his help and advice during the year and also the managers, George Tutt and Tom Gibbard and trainer Ian Moar for their assistance.

JUNIOR BASKETBALL

THE RECORD OF THE 1964-65

Hillcrest Juniors speaks for the most rewarding and successful season any Hillcrest Basketball team has every had.

GAMES PLAYED	WON	LOST	TOTAL POINTS

Boys Senior Basketball

Although this year the Senior team perhaps did not display an over-abundance of talent, they did show a great desire to play basketball. These characteristics are a must, regardless of talent present. Because of these characteristics, this years team need not apologize for their won and lost record, but rather, they can be confident that next years team will find it difficult to match their predecessors in some respects.

Lyle Alexander, who finished fifth in the Senior race, was selected as the team's most valuable player. However, without the help of the rest of the team, Lyle's feat would not have been possible.

HOCKEY 1964-65

This year was Hillcrest's finest in the Interscholastic hockey wars. In regular season play the team ended in third place, scoring 33 goals in 7 games and having a meagre 8 scored against them. This gave goalie Doug Boyes the best goals against average in the league and the (Vezina) trophy.

Hillcrest, then went into the quarter-finals as the dark horse and disposed of Ridgemont handily. In the semi-finals, Tech fell under the onslaught of Hillcrest scorers. And then the finals against an undefeated St. Pat's team. In a best 2 out of 3 series, Hillcrest lost the first game 2-1 but bounced back to win the next two games by scores of 11-4 and 6-3 to bring Hillcrest its second major interscholastic award of this season.

A very special thanks to Mr. T. P. Ray & Mr. Austin for their enthusiastic assistance in helping bring the Ottawa Citizen Trophy to Hillcrest. And a very big congratulations to the players who gave it their all when it was needed. A wonderful team effort.

BOY'S GYM CLUB

The gymnastic team started off the season by winning three tri-meets,

The results of the first tri-meet were:
Hillcrest first with 132 points
Woodroffe second with 130 points
Tech third with 85 points.

The second tri-meet:
Hillcrest first with 165 points
Rideau second with 92 points
Ridgemont third with 39 points

The third tri-meet:
Hillcrest first with 155 points
Laurentian second with 103 points
Commerce third with 82 points

At the O.H.S.A.A. Grade Team Gymnastics meet held at Hillcrest High School:

Glebe placed first
Hillcrest placed second
Brookfield placed third

In this meet Grade 9 placed first and Bruce Jamieson of Hillcrest won the Grade 9 city championship.

Others that did well in this meet were:

Peter Warner placing 4th in Grade 9
Barry Mc Neill placing 6th in Grade 10
Dave Hood placing 5th in Grade 11
John Pulkkinen placing 3rd in Grade 12

Hillcrest Gymnastic team received another first this year. This is that it was the first time that Glebe Collegiate Institute has ever invited another school in the city to its "Invitation Meet." We placed third in that meet.

Another highlight for the team was when Bruce Jamieson won the Grade 9, Tom Gibbard won the Grade 10, both receiving the Gold Medal at the O.F.S.A.A. Team Gymnastics Championships held at Kingston Ont. This meet included schools of Eastern and Central Eastern Ontario.
Gymnastic at Hillcrest seems to have great potential for the coming years. The coach Mr. Lemaire is planning on entering the Ontario High School Gymnastic Championships next year.

Back Row: P. Rossy, J. Harrison, Brian Macdonell, G. Morgan, I. Wade, P. Damphouse, Second Row: R. Irons, D. Hood, P. Wellstead, D. Hanson, G. Connolly, Mr. Manale, Front Row: D. Collinson, B. Watson, B. McGin, J. Stevenson, Absent: George Tutt, Don Axford, Dennis Purton

WRESTLING

Individual weight champions at Pembroke Invitational wrestling meet -- 98 lb. George Tutt, 106 lb. Rick Grant.

123 lb. Bob Watson--Finalist at Pembroke meet.

George Tutt

After a series of easy victories against opposition in the Ottawa area, George performed very well at the Ontario meet in London, Ontario and finished 5th in the province.

Rick Grant, Bob Watson and Roy Irons also made the trip to London.

The team this year is made up of a number of young wrestling hopefuls who will mature in coming years. We are attempting to build around a nucleus of champions from last year's team (Tutt, Watson, Irons). The loss of boys like Tom Schultz, Pete Waddell, Bill Graham, Dennis O'Neil and Don Collinson has made the team one of limited experience. However, we will be out to bring home a repeat championship in wrestling for Hillcrest this year.

**CANDID
SPORTS**

SPORTS

This year, in athletics, Hillcrest has come out of the minors and into the majors.

It has taken a lot of hard work and perseverance. The process of building a football team finally paid dividends. The Juniors captured city honours. The hockey team, despite the handicap of not having a rink, won the "Citizen Trophy". The Junior girls won top honours in volleyball.

Not so fortunate in their bid for city championships but carrying the name of Hillcrest throughout the city were, the Girls and Boys Junior Basketball teams, the gymnastics and ski teams.

They all gave the winners good, clean, rugged competition.

Individual credit should go to Alex Sawyer who won the Best Junior Linesman of the Year award. Honours also go to the Girls Relay Team composed of Judy and Barb Dallimore, Sharon Kearns and Linda Tinker who came second in the C.N.I.T. in Toronto. Bruce Jamieson and Tom Gibbard won gold medals in the Eastern Ontario Gymnastics meet for grades nine and ten. George Tutt, Rick Grant, Bob Watson and Roy Irons made fine showings in the Ontario Championships.

Both former and present staff members have put in a lot of extra time to build Hillcrest's Athletic prowess. This year the Phys-ed staff of Mr. Boyce, Mr. McAskin, Mr. Manale, Mr. Lemaire, Miss Coe, Miss Bolton, Miss Burke received assistance from Mr. Crouch, Mr. Austin, Mr. Sheahan, Mr. Publow, Mr. Doherty, Mr. Meloche, Mr. Cunningham, Mr. Miller, Mr. Doswell.

The athletic programme at Hillcrest encompasses a large variety of sports ranging from push-ball to archery. As athletics is an essential part of the process of education, it is important that each student participate in sports offered whether at the intramural or the interscholastic level. It is on the sports fields that a great deal of school spirit is developed and after four short years of operation Hillcrest takes its place among the top schools of Ottawa.

ACTIVITIES

THE PREFECTS

The role of the Prefects is far from being small. These girls attend the plays, the concert, Open House, and any other social functions which Hillcrest presents to the students and their parents. They pass out programs, take tickets, direct and welcome the guests to their seats. They have front hallduty during their study periods where they help visitors to find their destination. The girls can easily be recognized by their bright red jackets.

BAND 64-65

This year the band again continued its standard of basic excellence under the competent leadership of Mr. H. E. LeRoy. Along with providing the music for assemblies, the band contributed greatly to the Christmas, Spring and Easter Concerts. The demonstration to the public school students surely inspired a rigorous attraction to the music program at Hillcrest. The band will undoubtedly aspire to great heights in the near future.

CHOIR

A school year is always a busy one for an activity such as the choir and 1964-65 was no exception to the rule. Under the expert and patient guidance of Mrs. M. LaCasse, the choir opened its itinerary with an appearance at the second annual commencement. A series of similar appearances including the Christmas assembly, the Spring Concert and Open House soon followed. Perhaps the most rewarding experience of the year was the participation in "Music '65", a revue in April which included all Ottawa's High School Choirs. The girls enjoyed the season very much!

THE GIRL'S GYM TEAM

The girls' gym team, which has been practising since November is now preparing for a variety performance at Hillicrests' 1965 Open House. When this has been completed, the girls will continue practise, and on April 3, 1965 they will take part in the Girls' Inter-school Gym Meet at Glebe Collegiate.

I.S.C.F. CLUB

The club has held a fortnightly meeting on Thursday in room 29. Speakers on various questions of faith and informed Bible discussions came each Wednesday after dismissal. This meeting was held at a home near the school. A sleigh ride, a skating party and other activities have been organized. The club has also been responsible for the lost and found this year.

UNICEF

The UNICEF Club in its first year of operation has accomplished a great deal for the starving children overseas. Over two hundred dollars has been raised for the cause by this all girls club by car washes, selling cokes carolling, and bottle drives. Under the supervision of Mr. Meagher this has been made possible. We also appreciate the support which has been given to us by this community in our various undertakings. We only hope next year we may do as well, if not, better.

HILLCREST ARCHERY CLUB

From out of the casans of Hillcrest High there emerges a group of prominent students, the members of the Hillcrest Archery Club. Under the guidance of Mr. Miller the club has grown considerably in the four years of its existence. This year another teacher, Mr. Hawkes appeared on the scene to help ease the burden of Mr. Miller. He did this quite adequately I might add. The club membership is about thirty, with twenty-eight boys and two girls, who are quite willing to come to the meetings fairly regularly. We haven't achieved much this year except run through quite a pile of targets. Our aim this year is to win the Golden Arrow back from Bell High. There is, however, a lack of girls who attend regularly.

AWARDS

Hillcrest High School recognizes all students who are 80% or better by awards in the following manner:

In Grade 9, a citation is presented. On the completion of the second year of achieving 80% or better, a crested silver pin is presented.

For each succeeding year a silver bar is added to the pin.

In the term 1963-64, 77 pins and bars were earned and 33 citations.

It is important to note at this point that the Ottawa Collegiate Institute Board presents Proficiency Cups to the leading member of each class achieving at least 75%, and Silver Medals to all those over "90".

These recognitions are all based on the June results. Students "Over 80" automatically become members of the envied "Over 80" Club in Hillcrest High.

THE DEBATING CLUB

This year the Debating Team at Hillcrest was quite successful. Ilea Tant and John Benoit toured to London when they placed second in an International Tournament. We were represented at the Ottawa Journal Tournament by Cathy Evans, Colin Foster, John Benoit and Paul Lobel. Next year we hope to win the trophy.

CURLING CLUB

Curling at Hillcrest is becoming more popular as this year the Curling Club membership almost doubles. All members especially enjoyed the all day bonspiel that was held. Our bonspiel team put up good shows as the boys lost in the final game of the Schoolboy Bonspiel and the girls who were defending their city championship lost in the final game.

ART CLUB

"The impossible we do immediately; miracles take a little longer."

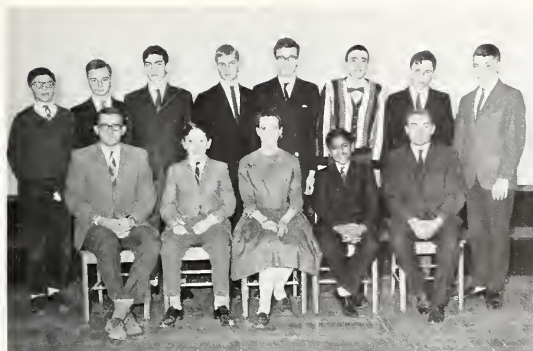

The Art Club's activities consisted of prop and Set Designs for "The Tempest", "Showtime 65" and "The Man Who Came To Dinner". The lesser activities consisted of decorations, displays and advertising for various clubs including the Dauphin Players.

The Concert was the greatest accomplishment. There were many headaches and sore backs. Sets were forever being changed. All the sets were mobile and they were: The Moody Gypsy Scene, dark greens and blues with a real gypsy wagon. The Battlehymn Scene, New York Scene, of towering sky scrapers, a Tropical Island scene complete with palms and an exotic mountain, and of course the famous "Dolly Scene".

For "The Man Who Came to Dinner" the problems were numerous. The scene called for a conventional living room and dining room of the 1930's. This was the first Box Set, (Completely Enclosed).

Few people realize the ingenuity and cleverness that is required on each members' part when doing stage work. "-----Make a cannon, construct an oal bannister, decorate a window, create illusion after illusion and do it NOW and do it quickly". We are proud of the fact that during the history of the Art Club we have only scrapped two sets and started over.

Almost everyone in the club will agree that this kind of creative work brings results that more than justify the hard, long hours of labour that go into our extra-curricular activity.

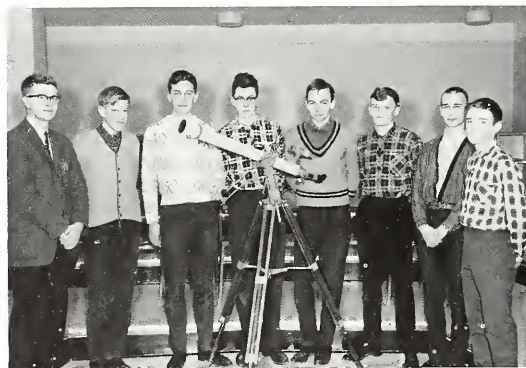

Math Club

Top Row: Terry Bura, Graham Gardner, Ernest Jackson, Paul Wurtel, John Wood, Leo Brooks, Front Row: Mr. W. Horan, David Goble, Hazel Burrell, Nijay Rao, Mr. D. Williams

JUNIOR MATHEMATICS CLUB

There are at present, twelve students of Grade 9 enrolled in this club. The object of the club is to give students a general look into the field of mathematics and give them a chance to discover the uses of the mathematics in our everyday world. To date, three students have prepared and given their own talks to other club members on various topics ranging from the history and development of the abacus to the use of modern adding machines.

LIBRARY CLUB

"Of making many books there is no end." Yes year upon year the library club members continue the tedious work of binding, covering and cataloguing books. As well, these people must maintain a "quiet efficiency" throughout the library. Granted these activities are not nearly as spectacular or romantic as charging through an opposing school's football team for the winning touchdown nor is the work as strenuous - but it is certainly more enduring. If even only for once a year "Hats off to the Library Club".

Dance and Decorating Committee

THE CHEERLEADERS

The cheerleaders had a very eventful season. They cheered during hail, sleet, rain and even football games. We tried to bring a little school spirit to the teams in order to help spur them on to victory. Among other things we entered the cheerleading contest sponsored by C.F.R.A. The competition was keen, so we lost! Better luck next year, girls!

DANCE COMMITTEE

This committee was responsible for the organization of all Students Council Dances. It is in no small way a cause of the outstanding reputation which our dances hold.

Angela Smiley was in charge of decorations and food, while Vic Peterson took care of all its other arrangements.

THE KEY CLUB

This year the Key Club was even more active than in previous years. Among the service projects of the club, a canned food drive at Christmas was very successful. The Club also canvassed for the "Heart Fund" in February, as well as making substantial contributions to "Care". The Club itself again established a school in Guatemala in conjunction with the District Project.

To supplement its usual fund-raising efforts, the club sponsored a very successful "Hootenany" and a dance. The most interesting of all its projects was of course the Key Club film. The film was shown not only at the school but at the Key Club Convention at Easter.

A large percentage of the Key Club's effort was directed towards the acquisition of a school flag-pole.

Besides being active in the school the Club played host to the divisional caucus. The publicity and public relations for the Easter Convention was also handled by our Club.

TENNIS

Since we have found little carry over value in the instructions which were given in the gymnasium for limited periods during the past few years, the main function of the tennis club has been to organize the inter-scholastic tennis teams which represent Hillcrest High School against the other schools of the district and the city. This year Bruce Rosove, Dave Medhurst, Bob Hobbs and Ricky Booth were selected for the boys team and Joy Anderson, Betty Grant, Hazel Williams and Abby Hagyard represented the girls. Our girls team which reached the city semi-finals defeated the girls from Laurentian on their way to the championship rounds. They lost out in a close 2 to 1 match to Glebe girls in the semi-finals.

DRAMA CLUB

The Drama Club presented two plays this year, Shakespeare's "Tempest" and "The Man Who Came to Dinner" by Kaufmann and Hart. Both plays were under the direction of Mr. H. Davey and the Drama Club would like to thank Mr. Davey for the time, effort and nervous energy he spent on the plays.

In the Tempest, Rick Birarda appeared in the role of Prospero, with Ilea Tant as his daughter, Mirandy, Penny Barter as the fairy, Areland, Dan Showalter as the monster Caliban. In the Man Who Came to Dinner, Dan Showalter played the Trascible Mr. Whiteside, with Kathy Toth as actress Lorraine Sheldon, Ilea Tant as Mr. Whiteside's secretary, Maggie Rutherford, and Ric Molsely as Bert Jefferson.

PUBLIC SPEAKING AND DEBATING CLUB

This year under the guidance of Mr. Gillespie, The Public Speaking and Debating Club has attempted to broaden the minds of its members, in the fields of good speaking, diction, and broader vocabulary. Our projects have included public speaking, successful debates and an introduction to proper narrative reading.

We have approximately eight members and all have benefited by participating.

THE UNITED NATIONS CLUB

The founding and spectacular growth of Hillcrest's largest club (over 85 members) was due to our delegates to Lake Couchiching: Don Dickson, Paul Kyba, and Ken Warren.

Hillcrest's most active club recruits its members among students who are "up with the times", students who get out of their shell and become interested in the world they live in.

The U.N. Club sponsored a drive for the collection and distribution of used books to underprivileged countries. This led to an invitation to Rideau Hall and the presentation of a citation to our U.N. Club by the Governor General.

In the late fall S.N.C.C. organizer Miss Diane Burrows outlined the program and activities of the Freedom Workers in their struggle to free the negroes from racial oppression in the southern states.

In early January, the U.N. Club sent 11 delegates to a mammoth U.N. Model Assembly in Toronto in which over 60 High Schools participated. At the award dinner Hillcrest received an honourable mention. In March the Hillcrest U.N. Club represented nearly half of the delegates at the University of Carleton's Model

Assembly Session for Ottawa High Schools. Don Dickson was judged to be the best speaker.

Lately the U.N. Club has organized a series of conferences dealing with Current Affairs. The first one was on Viet Nam and the American and Russian Ambassadors were invited to give their views on this explosive situation.

The U.N. Club was again in the forefront by its smart and practical display on Open House Day.

In March elections were held to select the new executive for the 1965-1966 year. The following are the new executive: Don Dickson - president; Marjorie George, Carol Markham, Donnia Kyba and Ron Dickson - vice presidents; Raili Mikkonen - secretary treasurer.

The aims and purposes of the U.N. Club are to bring an intelligent awareness of the responsibilities of the individual in the world he will inherit.

May we of the U.N. Club take this opportunity to wish all of you a good summer holiday and invite you all to our recruiting meeting in September.

THE TEMPEST

SHOW TIME '65

After a lot of hard work and expert leadership Hillcrest put on another excellent Spring Concert. The gymnastic team put on their dazzling routines, while the veteran Itinerants and newly formed Taleyrands, provided the folk music. The elegant costumes and colourful sets added stark realism to the gypsy, caribbean and ball-room acts.

The chorus line kept the men of the audience happy while the technicians' singing drowned out the crop of restless children.

Rick Birarda, Bill Hunt and Heather Dohm, Lynn Fairweather, Cynthia Millard, Kathy Toth, Carol Barrett, Ilea Tant, Mark Hawken, Nancy Rosove deserve a great deal of credit for their sole efforts in the concert. The comedy of the evening was provided by Dr. Ben Crazy and the campus cut-ups.

Don Gunn the M.C. kept the show rolling when difficulties arose while the band and

choir provided a wide variety of music to co-ordinate the whole show.

The show director Mr. Leroy deserves a tremendous amount of credit for his long hours of work. He not only directed the band shows but also arranged many of the accompanying musical members.

It is impossible to acknowledge everyone connected with the show.

But many thanks to:

Mrs. LaCasse, Miss Coe, Mr. Noonan, Mr. Lemaire, Mr. Davey, Mr. Horan, Mr. Trudel, and to the costume designers and makers, Mrs. Painter and her make-up artists, to Mr. Taylor and the boys who worked on set construction, to Mr. LaGrave and the stage designers, and to Mr. Kembly and the men behind the scenes, the technicians, who all combined to make "Show Time 65" a success.

LITERARY

The Quiet World

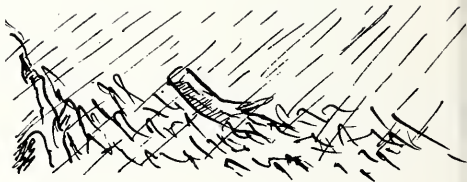

Quietness reigns; there is no sound
- and no voice calls out.
Snow, white snow, is everywhere,
Never - ending, and fresh crisp air.

No one from this fairy - like place is barred
- yet the snow is fresh.
Not a trace of Man's destructive hand
Can be seen in this cool, angelic land.

This far away world is one of expectance
- a world of waiting.
It's future citizens are like the Son
Even in this world there may be one.

Quietness reigns; there is no sound
- and no voice calls out.
Snow, white snow, is everywhere,
Never - ending, and fresh crisp air

TRIBUTE TO A LION

And so it was that Sunday in the hours of dawn
The lion ceased to roar, and took his place,
Above the heads of men. The light is gone,
From all our hearts and from his face,
That like a beacon, through War and Peace it shone,
As hope for liberty, good will among all men.
They heard his words, touched his hand,
A gentle hand, but one of steel that formed a fist
To shake at defeat, to drive us forth, to same our land.
And in those hours of war and bloody mist
He stood alone, He made us understand.
Why we must fight and die for freedom's kiss.
These were his finest hours, his greatest days
That invulnerable Titan of a man with the cigar
Stood like a sentinel, to keep the ways
Of freedom clear, to smash that evil bar
That clicked the path of victory's rays.
But now the lion is gone, we stand alone,
Much stronger, defiant, courageous and as one,
As one strong nation. And when the years have fown
That name, that face, will shine as bright as any sun,
The Greatest, most human man our world has ever known.

THE FRIENDLY LETTER

Since fifth grade our English teachers have advertised a section entitled "The Friendly Letter". We painstakingly learned how to prepare "the heading", the number of spaces to skip before the "salutation", and a number of stock "complimentary closings". In between all these formalities was a blank space of roughly twelve lines called "the body".

Now that the days of supervised letter writing are over for us, our letters usually consist of little or no "salutation" or "the body". It is the body of our correspondence that interests me, for it seems that every type of person has his own way of filling in these empty twelve lines.

What people tell you in letters is often amusing. There is the type who relates every minute descriptive detail about recent activities. For this person, usually a girl, the body can run as long as twelve pages. She centres her descriptions on clothes, marks, and boyfriends. Then there is the fellow who is a fanatic about cars or motorbikes, and can write for an hour about his broken clutch or the "cable" that

runs to some mysterious tank.

The type who draws pictures is common. In moments inability of expressing himself, the diagram maker will sketch numerous little pictures which are intended to express his ideas. The really artistic type will do beautiful drawings all over the envelope - I once received a letter covered with little pictures of Elvis Presley, Paul Anka and Sal Mineo.

There is only one letter writer who is invariably dull. This is the one who answers every little commonplace question he has been asked in a letter. Rather than continue with drawing up a questionnaire every time I write him I prefer to forget I owed him a letter.

And there are many other "types" who are on one's correspondence list, but I think that these ones are the ones worth noticing. Thank God for the people who know how to write a truly interesting letter.

THANK YOU BLACK BLACKMEN

I stop and sigh with deep relief when I discover that there are still left in our restless world a few kind and considerate souls who make life bearable. I refer to the black blackmen who have allowed human kindness and faith to dominate their lives. I say "thank you" to those men, women and children who sit at the back of our busses in order to prevent unnecessary crowding at the front. I say "thank you" to those who do not eat in our lunch counters and in our restaurants, so that no white blackmen will have to go without lunch. I say thank you to those children who do not attend the white blackmen's schools in order to keep our failure rate down. And I say special "thanks" to those blackmen who congregate in small towns and communities with the purpose of

instilling love and faith into the black blackmen and into us the white blackmen. I only hope that you, black blackmen, will not cease the pursuit of your goal, until our busses are no longer too crowded, our restaurants no longer full, our students no longer failing and our communities no longer segregated.

There was darkness and then there was light, and there were blackmen and then there were white. When you black blackmen achieve your mission, let us hope that your situation will not be reversed on us, the white blackmen, as it rightly may be.

A STUDENT IS SLAVE TO THE CLOCK

LINDA MINOQUE 13C

A modern student of Hillcrest, or any high school, is indeed a slave to the clock.

The day begins at 8:55 sharp. The blare of the public address system is the signal that everyone is to be seated and listening. If they are not, the teachers are out in the halls scaring the stragglers into classrooms.

Once the class begins everyone starts watching the seconds inch by inch. The time drags. Even the teacher begins to watch the clock. The things done in a class Period are methodically timed by the teacher. For example the student may be allotted the sum total of five minutes to write out a theorem in Geometry, or thirty minutes to write an essay in English Composition.

The time for the bell to ring at the end of the period is calculated by clock watchers down to the last second. There is the familiar rustle and scramble to gather up belongings three minutes before the period is scheduled to end. Students have to catch buses, go home or go to appointments at certain times. They have to juggle their pleasure hours and homework hours and somehow come out even.

Excluding school hours, students like other people are conscious clock watchers, but must co-ordinate their activities with a specific time. In school they are subjected to a strict time element; therefore, they are aware of time and are clockwatchers.

RAINY DAY

It's a gloomy, rainy afternoon, and it's even gloomier and darker in my masochistic soul. A crueler mind would flick on his lights and finish his essay in the crass efficiency of an artificial glare, but I'll leave the muddy light to leak through my grubby window panes, so that my room will match my jaundicol mood. I would escape to sleep, but I've just returned from fourteen hours of blissful unconsciousness, and, there is a limit. If dying is falling asleep, I'll go now. But I'm neither dying, nor falling asleep; therefore, I'll try to think.

Why is this world so ugly? Even as I walk down the street the houses all seem sordid. Some show evidence of larger families, but no images of cheerful conviviality warm my mind; rather the emotional overcrowding, the responsibilities and petty drudgery that turn women into unkempt, gravel-voiced harpies. The overaggressive children conceived, reared and educated without grace. I am passing the public schoolyard with brisk steps, hating giggles and screams of uninhibited mirth. Little do they know. I can't look at that "cutely" dressed child in front of me without hearing a rasping voice rasp "Get out of the sand box with your good jumper on! My Gawd, what next".

Is there nothing but sham? What is more pathetic than these girls of their middle teens, these virtuous lovelies whose lives centre about clothing and adorning those ignorant chaste bodies; yet who would be revolted by frank sensuality. My disgust for these sophisticated innocence is only matched by my distaste for their worldly male counterparts, with buttocks cleft by their leotard denims; and masculinity asserted by Old Spice and profanity.

It is still raining. The gloom only shows me wrinkles and cracks, stains and scratches, knots and faults.

There must have been happier days. Why won't my perverse memory cherish a recollection of old friends without reminding me of how far apart we've grown; of childish exuberance without awkward ignorance; of faith and respect before cracking disillusionment; of love; but also fear pain and worry, worry What insomniac hobgoblin of my psycho is it that sees only pain and never fully releases me to pleasure?

The sun has set on the endless rain. The morning will bring drowned worms rotting on the road, and puddles.
